## Your Home

**Privacy and independence, friendship and support - 24 hours a day**

The Herons offers care and comfort, compassion and friendship. At the heart of all we deliver is our assurance that you will be treated with the respect and dignity that we all deserve. If you need anything at all, we're here to help, 24 hours a day.

Whether in the privacy of your own room or relaxing in the company of your friends and neighbours, we will support you to spend your time doing the things you enjoy. Let us know if it's music, a favourite newspaper, exercise or a spot of pampering at the salon. Landscaped gardens invite you to appreciate the fresh air or tend the plants if you wish. There's a wide range of social events, so you never need to feel bored or lonely.

Meal times are a special part of the day for you to savour tasty food, freshly cooked by our chef to suit you and any dietary needs. And of course, refreshments are available throughout the day for you and your visitors, who are welcome at any time.

The Herons has the latest safety and security design features so you can live life to the full with peace of mind.

# Above & Beyond

## Nurturing mind, body and spirit

Spiritual needs vary as we each experience well-being and fulfilment in different ways. That's why, at The Herons, we offer so many opportunities to foster relationships and positive experiences – from developing new skills and fulfilling personal ambitions to creative pursuits and trips out.

All MHA's care homes have a designated Chaplain who is available for private conversations on any matter close to your heart, and arranges worship services for those who wish to attend.

As part of MHA's desire to offer the very best in later life, we also provide additional therapies for your well-being. These gentle one-to-one sessions aim to bring calm and relaxation.
